

Curbside check-in: To maintain additional social distancing, we are asking you to “skip the lobby” and wait in your vehicle until indicated by your counselor. Upon arrival in our parking lot, please text your counselor to let them know you have arrived. Please include your first name and time of your appointment in the message body.

Telehealth visits: We understand some of you may wish to continue with telehealth sessions for many reasons. We will continue to offer telehealth as an option for ongoing care. Please know that although we will be offering this service we cannot guarantee that your insurance will cover this service. You will need to discuss this with your counselor and you will need to call your insurance company to ask if this will be a covered service.

Mask policy: Consistent with CDC and Wisconsin Department of Health guidelines, face coverings are recommended. Like many others we are finding it challenging to secure supplies therefore we are asking you to bring your own to your appointment.

Only one patient per appointment allowed. We ask our patients to limit their appointments to the scheduled individual only. Please note this includes couples if attending for couples counseling and also includes parents bringing their minor child to an appointment.

Beverage Service.

Hand sanitizer available in waiting room. We continue to maintain the highest level of cleanliness and disinfection throughout all our clinic locations. Our waiting room will be stocked with hand sanitizer and we have implemented a regular and stringent cleaning schedule.

This continues to be an uncertain time for all of us and we recognize the challenges this creates. As we continue to navigate this frequently changing environment please check our website and Facebook for updates.
